

# ENDURO-FLEX PROMOTION

 **WALTER**  
Surface Technologies  
Only the best.™

**MARCH 1 - MARCH 31, 2018**

For a limited time, receive a **Tactical Flashlight** for every **20 eligible flap discs** purchased. Act now, these Flashlights are only available while supplies last.

## ENDURO-FLEX™

The ideal choice when you want the longest life and lowest acquisition, inventory and consumption costs. For steel or stainless steel.

## ENDURO-FLEX™ STAINLESS

The longest lasting flap disc for use on stainless steel or aluminum. Contaminant-free formulation.

## ENDURO-FLEX™ TURBO

Provides the fastest removal rate on steel or stainless steel while also leaving a nearly 60 grit finish.

## FLEXSTEEL™

Flexsteel provides excellent value when working on steel. Ideal for general purpose use in light industrial, construction or metal fabrication applications.

## BONUS OFFER!

Receive a Walter grinder for every 400 eligible flap discs ordered, while supplies last.

**SEE ALL ELIGIBLE WALTER  
FLAP DISCS ON THE BACK!**
